**AD SPECIFICATIONS**

**DIGITAL ADS**

Please send an email request for a link to upload your ad on our FTP site to trendjeanne@gmail.com. We will confirm that your ad was received and contact you if there are any problems.

*Trend* is committed to the highest quality editorial and advertising. Ads submitted with low-resolution images or other technical problems will be returned for improvements, or *Trend* can modify the files in-house, with costs billed to the client at \$65 per hour.

For production assistance contact:  
Jeanne Lambert at 505-702-8594 or trendjeanne@gmail.com.

**TECHNICAL SPECIFICATIONS**

**DIGITAL IMAGES**

Ad images must be high resolution—a minimum of 300 dpi/ppi for photos, logos in Photoshop tiff format at 1200 dpi/ppi.

**MARKS & BLEEDS**

**IMPORTANT: Omit all printer's marks—including crop and registration marks, color bars and file names—but include the 1/4" bleed.**

**COLOR**

Convert all photos and spot colors to CMYK prior to writing the pdf. If the pdf-writing process handles this conversion, it can cause colors to print differently than expected.

**PROOFS**

Any color-critical ads, especially those that include artwork, should be submitted with SWOP color proofs. Proofs can be obtained from Fire Dragon Color, 2891-A Trades West Rd, Santa Fe. Ask for special *Trend* pricing. Once you approve the proof, please leave it at Fire Dragon for pickup.

Contact John Vokoun at (505) 699-0850 or john@firedragoncolor.com.

*Trend* will not guarantee any position unless an additional 10% ad rate is applied.

Without a guaranteed position, your ad may appear on either a left or right page.

1/2-page vertical ads may appear on either a left or right page and either justified left or right on the page.

1/2-page horizontal ads may appear on either a left or right page and either at the top or bottom of the page.

1/4-page vertical ads may appear on either a left or right page and either justified left or right on the page.

1/3-page square ads may appear on either a left or right page and either at the top or bottom of the page.

2/3-page vertical ads or 1/3 vertical ads appear with one column or two columns of editorial. The ads are positioned on the outside of the page and must include bleeds on three sides.

**MAIL**

For artwork provided on disk, or for color proofs not obtained from Fire Dragon. *Trend* is not responsible for returning ads on disk or proofs to client.
