**Be a part of this exquisite 20th-anniversary issue.**

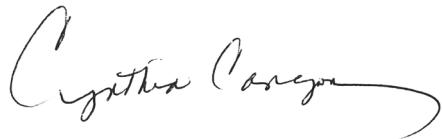

Dear Business Owner,

*TREND* magazine is now taking space reservations for our Summer 2019 issue, to publish mid-June 2019 through September 2019. Our ad prices include all media platforms, both print and electronic, with each advertisement lasting a full three months during summer. As part of your presence in our online flipbook, your ad will link back to your website, providing additional reach and value.

*TREND* enlightens and entertains more than 100,000 readers annually in print alone, with far more viewing online globally. We distribute to hotels, galleries, specialty retail stores, restaurants, upscale real estate offices, and exclusive home rentals throughout Santa Fe, Albuquerque, and Taos. We are on newsstands throughout the United States and Canada and extend our reach through local visitors who bring their issues home and share them.

For twenty years, *TREND* has built a discerning readership that appreciates our sophisticated presentation and in-depth coverage of the worlds of art, design, culture and cuisine with top-flight photography and insightful editorial.

Reserve your space now for *TREND*'s Summer 2019 20th-anniversary special issue and Fall/Winter 2019/ Spring 2020 issue.
