**AD SPECIFICATIONS**

**DIGITAL ADS**

Please send press-quality PDF ads to: trendjeanne@gmail.com by email, or, for large files, you can use an FTP site like dropbox.com or hightail.com. We will confirm that your ad was received and contact you if there are any problems.

Trend is committed to the highest quality editorial and advertising. Ads submitted with low-resolution images or other technical problems will be returned for improvements, or Trend can modify the files in-house, with costs billed to the client at \$65 per hour.

For production assistance contact: Jeanne Lambert at 505-702-8594 or trendjeanne@gmail.com.

**TECHNICAL SPECIFICATIONS**

**DIGITAL IMAGES**

Ad images must be high resolution—a minimum of 300 dpi/ppi for photos, logos in Photoshop tiff format at 1200 dpi/ppi.

**MARKS & BLEEDS**

**IMPORTANT: Omit all printer's marks—including crop and registration marks, color bars and file names—but include the 1/4" bleed.**

**COLOR**

Convert all photos and spot colors to CMYK prior to writing the pdf. If the pdf-writing process handles this conversion, it can cause colors to print differently than expected.

**PROOFS**

Any color-critical ads, especially those that include artwork, should be submitted with SWOP color proofs. Please contact Jeanne Lambert at terndjeanne@gmail.com if interested in a color proof.

**MAIL**

Trend is not responsible for returning ads on disk or proofs to client.

Trend will not guarantee any position unless an additional 10% ad rate is applied.

Without a guaranteed position, your ad may appear on either a left or right page.

1/2-page vertical ads may appear on either a left or right page and either justified left or right on the page.

1/2-page horizontal ads may appear on either a left or right page and either at the top or bottom of the page.

1/4-page vertical ads may appear on either a left or right page and either justified left or right on the page.

1/3-page square ads may appear on either a left or right page and either at the top or bottom of the page.

2/3-page vertical ads or 1/3 vertical ads appear with one column or two columns of editorial. The ads are positioned on the outside of the page and must include bleeds on three sides.
